### **From The Oval Office: - George Vance**

Due to a heavy work schedule, President George will not have a column for the Newsletter this month. He does promise me an extra special column for the July newsletter!

George also asked me to remind you about the August Memorial Tournament which is planned to be a very *special* tournament for club members that participate. So, mark your calendar and plan to sign up for that tournament! (Editor)

### **From The TC's Office -Mark Hemenez**

Hey Guys,

We had a great time in Pebble Beach. Frank, Joe, Kipp, and I played the Norcal East Bay Zone Tournament. We placed 11th. Poppy Hills was in great shape, but Spyglass's greens were plugged. We had our trouble there.

The last tournament was the "Two Man Best Ball." What a day! (72 players) but only half the field finished because it rained. I withdrew after nine-holes - I was soaked. It

was a Norcal Qualifier and Tom Walker and Terry Krajar are the winners. You guys that haven't played missed a great day at Brentwood. That was our "Away Tournament" and 40 players made it. The wind was up a little, but it was warm out. The greens there are nice.

The next tournament is the Directors and the Match play will resume with eight players remaining. I'm playing Ron Walker - it's going to be very INTENSE! Look for the winner to be?? Ok, so sign-up early and mail check to: PO Box 2600 C.V. The cutoff date is June 13th.

Thanks,  
Mark Hemenez TC

### **Comments from the Editor**

Those of you that get your Newsletter from the web page should look over the contents of that page! I have the last four Newsletters available for call, the 2002 tournament schedule as well as the basic rules for signing up for a tournament and other important requirements for playing in a scheduled tournament and I also include the most recent copy of "local rules" which you need to know when you are playing in a men's club tournament. I also include a copy of the website address for the Adobe website so that you can download the reader (free) in order to download the Newsletters and other items shown on the website. I also include my email address in case that you need to write to me about the Newsletter or any other men's club matter. Finally, if I have been on the ball, I show the date when the webpage was last modified.

Thanks and good golfing  
Gail Stanton, Editor
