### From The Oval Office:

- George Vance

First, getting ready for a holiday of thanks and blessings, (and football), then time to make our list, check it twice, (or thrice!), to plant the seed of what we all want under our Christmas tree that will surely improve our golf game! We have our last tournament of 2002 on December 8th. I trust the weather will be kind and as many as possible can participate. Our last Officers' and Directors' meeting was brief yet we touched on major issues that will have a profound effect on 2003. Most importantly, is our membership. Our budget and everything we do, or hope to do, is reflected in our membership. We can only provide to our members what we receive. So it is imperative that we have a healthy and plentiful membership. This is my "Politically Correct" way of reminding everyone to...."GET YOUR RENEWALS IN!!!!!!!!!!!!". Deadline for renewals, without NCGA penalties, is December 18th!

We also survived higher NCGA fees, higher green fees, and higher prize costs in 2002, yet never lost our focus of giving the most that we could back to the membership. In fact, over 60% of ALL dues received went back to members in the form of prizes. We did that without raising dues early in the year and with a

lower membership than the previous year. We still have the best deal in town....Spread the word! Our 2003 tournament schedule is set, including our annual "away" tournament. I'm pleased to announce that Brentwood Golf Club has again been secured for this venue. The date will be Saturday, June 7th. Mark your calendars. That's all for now.

Good golfing and have a Happy Thanksgiving and a Merry Christmas. Your Prez.

**George P. Vance**

### T C's Comments

Gentlemen, and I use that term loosely... Ha Ha. One more tournament this year and let's make it a good one. Sign-up early because next year I'll be putting the hammer down. The weather has been very nice -- lets see what happens. We might play the ball down if the weather stays nice. Next years schedule has been made, so plan accordingly. Next month's tournament is December 8th. Then January 26th is Super Bowl Tournament. The Niners are looking good and so are the Raiders. I'm writing this while watching the Raiders take apart Arizona. So that's all I have right now. Back to the game. See you on the links.

### Comment from the Membership Chairman

I hope you will remember this is your last Newsletter for calendar year 2002. As of this writing only a hundred of you will get a Newsletter in January. As our current membership is 235, that means that many of you

have not yet paid your dues. As stated on the membership form, December 18th is the last day for payment without penalty. After that date, the dues will automatically go up \$10. At men's club prices that relates to five beers or four "well" cocktails in the Willow Park Restaurant bar. I guess it all comes down to where your priorities are. Did you know that the word "procrastination" is from Latin and means putting off doing something until a later time? Well, in this case, it could cost you.
