Comments By The President

Well, I'm baaacck!!!!.....or did you even know that I was gone. I came back from my annual Alaskan Fishing trip with another year's supply of salmon and halibut! What a great trip and a great environment!...and how therapeutic!

My first round back, though, I felt I was still out on our fishing boat. I played like I still had my "sea legs". The fairways seemed to be rocking....or was that the brandy??!!

Anyway, back to the matters at hand. It seemed that our recent TC Surprise tournament was eventful. I heard lots of conversation regarding the "Red, White, and Blue" format. Didn't hear of ANYONE playing 10 from the blues!!!!

Our Club Championship is upon us. This annual two-day event is within 2 weeks!!! (August 16-17). So, don't delay...get your money in!!!! And then we have our Memorial Tournament on September 7. So, this is a rather quick turn around for consecutive tournaments. Our Memorial will again be a scramble format with exciting surprises and great, great prizes available. So get your foursomes together so you don't get left out. This event will be limited to 92 golfers. Dinner guests are of course welcome. You'll find the entry form in this month's Newsletter, as well as published last month.

That's all for now. I've got to go find my "game". Good golfing to all.

George P. Vance

TC's Comments

TC's Surprise II that was fun for those who missed this one... we played Red White and Blue. Six holes from each tee and you got to choose which and when. There were some good rounds... look at Kirks 78 or my 69...check out the leader board.

Ok, this is what the boyz have been waiting for... "The Club Championship" a two day tournament Aug-16-17. This tournament we will be taking two low gross and two low net for the (SKINS) later in the Year. Match play will finish out this month. Hey last months tournament some one picked up a players ball in the rough. Make sure it's not someone's ball before doing that - it could cost somebody the tournament.

Don't forget the "Memorial Tournament" it's our biggest of the year... over \$4,000 in Prizes - September 7th

See ya on the links

I think that the golf course has never been in better shape! The greens are good looking, the fairways are well watered and appropriately cut, and the tee boxes are wonderful. The golf course management and the maintenance crew are to be congratulated. Great job guys

It is getting close to the time for the club's annual meeting and members should be thinking of electing officers for the next year and getting someone to be the Newsletter editor for the coming year
