### President's Column

Hello Fellow Members...

Summer is Official!!! The weather is warming up and golf balls are flying all over the place!

It was good to see our large turnout for our tournament on June 27. The Directors' Tournament was a "Skins" qualifier, and there seemed to be some very competitively low scores posted. I heard and felt a lot of excitement from players hoping their round was good enough to qualify for the Skins game. Having qualified in previous years, I understand the anxiety. As in past years, this is always a very wanted prize. Good luck to all in their quest.

As things remain the same...they change. I am pleased to announce that through the rest of this year, Tony Paniagua has generously offered to assist Mark Hemenez in his duties, and for next year to succeed Mark as Tournament Chairman. I congratulate Mark on his dedication to his position, and offer Tony the same consistent support that all our members gave to Mark. As Mark will be able to concentrate even more on lowering his handicap, I personally still encourage him to remain an

integral part of our agenda in some capacity. I speak for all in thanking Mark for a job well done, and welcome Tony to this important position. I know we will give him all the support possible. I encourage others to offer their talents and will be considering adding more "New Blood" to our club's 2005 agenda.

Our Club Championship is only two (2) months away. Check your calendar. Following, that tournament (and before you know it,) our Memorial Tournament will occur (Sept. 19). Mark that date too!!!

Also, we are formulating our tournament schedule for 2005. Confirmation of dates we be forth coming in plenty of time to arrange those demands on our time that our wives or significant others require of us! Enjoy the course, enjoy the Restaurant/Bar, enjoy your golf....Have a patriotic and safe 4th and all of July!!!!  
Your Prez

### From The editor

I did not attend the last Directors' meeting, so I was unable to get one of the directors assigned to write a short column for the newsletter. Also I am now advised that TC Mark is tied up in work projects, so will not be able to write a column for this newsletter. I want to express my appreciation to Tony Paniagua and (Treasurer) Bob Fable for preparing the June tournament results so that I can put them in this month's newsletter. I am sure that the most of you that read the letter are mostly interested In how well you

did in the last tournament. Well, later in the this page , I will give you the June tournament results. From what I hear the tournament went well and even though the tournament got off to a late start, the tournament ended pretty close to on time. Congratulations guys, I am proud of you!!

As President George pointed out, we have a newsletter editor replacement for next year, which is great so far as I am concerned. I have been writing the letter since January, 1998 and it is about time for a new editor to take over!!! Go get em Joe Joseph.

Don't forget the upcoming tournaments - TC's surprise on July 25, Club Championship on August 28 & 29 and the Memorial tournament on September 19. Contact Mark Hemenz or Tony Paniagua to sign up for these tournaments. Enjoy - **Gail Stanton**, Editor
