President's Column

Ho, Ho, Ho, to all Willow Park Men's Club Members, the management and staff of Willow Park Golf Course, and management and staff of the Paradiso Restaurant at Willow Park. Holiday cheer to all. Time to get into the Christmas spirit, if you haven't already. May this season bring joy and good tidings to you and your family and friends. I personally wish all a very merry and thankful Christmas season and a plentiful and successful 2005!!!!!!

George Vance, President

TC's Column

Hey you guys, things are winding down and we are playing our last tournament of the year (The Norcal Qualifier). This has been a good year and the course is in good shape before winter. Looks like rain Sunday, hopefully that will change. The tournaments went well and the club came in under budget, that means a better year for 2005. Our new Tournament Chairman (Tony Paniagua) has some great ideas that that will improve how the tournaments run. I welcome him and I will support him. Be forewarned - Tony won't be as lenient as I am regarding signing up LATE for tourna-

ments. I did DQ a couple of you... That's a shame! I had a great time as T.C. I want to thank all of you for your help, especially Larry, Bob, and George. Their commitment to this club has made it a success. I hope to help the club in the near future. The next tournament is the "Superbowl Tournament." Merry Christmas. See you on the links.

Mark Hemenez, TC

Editor's Column

Since this is my last newsletter, I allowed myself to have a column instead just an add-on at the end of the newsletter. So here goes - -

Did I enjoy editing the letter for the past five years? Not always mostly because I have been self taught to use the word processor (Microsoft Word) and sometimes it has been a struggle!!!! Also, I had to learn about using a web page to post the letter for those of you that get the letter by e-mail.

I have been amazed by the lack of response from the membership regarding the contents of the newsletter. Sometimes I wonder if any one reads it.

Anyway, best of luck to the new Editor (Joe Joseph) maybe he will come up with a new format (and website) that will be of more interest to the membership. Also it is time for new blood and ideas for the club and I am sure that the membership will give the President and his support crew many ideas on how to run the club!

Happy holidays to you all and may you have a GREAT 2005 golfing Year.
