### President's Column

Fellow members. I'm back from my annual trip to Alaska with great attitude, great stories (some even truthful!!!), and another abundance of Salmon and Halibut. I recommend a trip of this kind to everyone, be it for the fishing, the wilderness, the scenery, or just an attitude adjustment!!! So, I'm really revved and ready to go. This is a time of great excitement and enthusiasm for our next few upcoming events. First, our Annual Invitational Tournament will be this August 21st. Your Officers and Directors have planned a great event for those of you who are entered and your invited guests. Those that are waiting in the wings, don't delay. Remember, you snooze....you lose!!!!!!! This looks like it will be our most energized and rewarding event yet. I have called upon members past and present to help orchestrate this to be the best ever. Entry Forms are located throughout Willow Park and the Restaurant, and also on our Website. Don't be sorry that you miss out!!!! There will be a great golf venue, great food, and as we always attempt to provide, great prizes available to those who participate. So what are you waiting for?!?!?!?! Gather your friends, family,

or other golf buddies. Set up your foursomes, twosomes, or just enter as a single. However, JUST GET ON BOARD! Trust this.....This looks to be the best "party" we've ever thrown. Clear your calendar, re-schedule your monthly "Honey-do's", Don't let your friends and fellow golf buddies tell you what a great event you missed!!!! Hit 'em well and enjoy the game!

*George Vance, President*

### TC's Column

Dateline August 2005.....TC Tales from the Rough.....

Well we all seemed to survive the 5 club tournament quite well.... It wasn't as hard as you thought it would be now was it. There were an awful lot of low scores.... Perhaps some of you might rethink how many clubs you really need... Congratulations to all the flight winners.

I do have to take this time and mention about the condition of the course. I don't know about you but this course is in the best shape in several years. Whatever they are doing to the greens please continue. They are smoother and much faster. I also like the idea of letting the ruff grow a little. This certainly makes hitting the fairways a little more important. Keep up the great work.....

The next tournament is scheduled for Sunday August 21. The deadline for entry is Wednesday August 10. This will be the invitational. It's a stroke play event. You do not have to be a member to enter. It cost a little more but dinner is included. There will be mulligan's available to purchase and raffle tickets for some great prizes. There will also be a "Tiger Hole" which for a small fee you will be able to place your ball at the 200 yard marker and hit your second shot from there. Hope to see you all there.....

Just a reminder, the September tournament will be the club championship. It will be over two days and if you enter you will

have to pay for both days.  
That means your entry form should have a check for \$90. Everyone will compete as normal with a regular stroke play tournament with flights and awards. The club champion will be separate and determined by the low gross score over the two days. I will send out an Email shortly after the August invitational with another reminder.

Well I made it a little shorter this month. Don't forget to get those August entries in soon. Hit them long and straight hitting fairways and greens....

Tournament Chairman*
