Super Bowl Sunday at Willow was a success as usual. We had a better than average turnout for this time of year. On Saturday we had 88 players signed up to play Sunday, by the time Sunday rolled around some 20 players had called in and canceled. Most canceled either because they couldn't take a cart out or they were worried about getting wet (what a bunch of wimps). Oh well! those guys that were worrying about getting a little wet missed out. The weather cooperated, and there wasn't a single drop of rain.

Sign ups are being taken NOW for the February "Get Acquainted Scramble" on the 28th. Please do not ask to play with a friend or in a specific group, this is a get acquainted tournament.

By now you should all have received your new NCGA card in the mail. If not, please let Daniel Turner, our Handicap Chairman know. As usual the handicap stickers can be found in the spike room. You also should have received your NCGA Blue Book. Hopefully, you guys hang onto this book, because it is full of great information. Besides the articles about what's new in the NCGA, and info about the different tournaments they sponsor, there is lots of useful information about all the courses in the Northern California. This information includes the cost of green fees, amenities, course ratings and, most importantly, directions on how to get there.

By the time you read this Newsletter we will have had our February meeting. We will have started forming committees for the Tony Rodriguez Memorial. I know you think this is awfully early to start planning for an August Tournament, but trust me, it's not. Anyone wishing to help please do not hesitate to call me or come to our next meeting. Again, I am asking anyone that would like to donate cash, prizes, items for tee prizes etc., to get a hold of either myself or anyone of the other officers.

One last thing, until further notice the monthly Men's Club meetings will be held on the first Thursday of the month at the Restaurant at Willow Park at the usual time (6:30pm.).

President
